

Gents,
(To all DMVGA Reps and Committee Members)

Libbaton have advised us that they consider, due to past, present and predicted rain, that their course will be unplayable for our Winter series event to be held on Monday 8th April. The event is accordingly CANCELLED.

Please advise all your players of the cancellation as it would be a great shame if some turned up on the day!

The DMVGA Committee have decided that in line with precedence, the Winter Series will be capped at three events and that the club standings at the end of the third event will be the final outcome.

Congratulations to Stover Golf Club for winning the Winter Series Trophy with 228 points and Jack Bater and Peter Moon of Portmore Golf Club who win the Harry Ken Salver, on countback, for the pair with the highest score with 44 points.

A Trophy winners notice can be seen using the Tab.
