

DEVON MEN VETERAN GOLFERS ASSOCIATION

This Association was founded by Gordon Emerton-Court on the basis that it would bring all the veteran golfers, from all Devon clubs, together for friendship and for friendly competition. The Association is run by an Executive Committee that is elected on a rolling program by the membership at the AGM which is held in October. The officers and committee are all volunteers who arrange and manage the competitions which are held at various Devon clubs. The current executive committee are shown below, so please give them the support they deserve.
